## **MY CASH IS HERE !!**

### **WHAT DOES IT MEAN ??**

All cash payments will go onto a card, either your membership card or a 'visitors' card; this includes cash payments under \$50, as our gaming machines will no longer return \$1 coins to players.

When you wish to collect on a machine, simply insert your 'card' and hit collect. All funds will be transferred to your card safely and securely. Move around our gaming floor at your leisure or when you are ready simply present your 'card' to the Gaming Attendant at the Cashiers Station to receive your funds. A secure pin number **MUST** be set up via the Member's Kiosk once the system is active (not required for visitors cards).

### **YOUR CARD IS YOUR RESPONSIBILITY**

As always our friendly staff will be on hand to assist you with any questions you may have.
